### **4. Reports**

**City Clerk- Sent out 25 past due shut off notices. 0 on the payment plan. 3 residences shut off.**

**Candidate filing has been turned into Platte co. Working with core and main to set up reads in water software. Met with Nathan at At5 who will be laying fiber lines for spectrum. Received call from Platte co stating the legal description that was done by previous attorney is wrong and they cannot go forward with the annexation of Williams property until it is fixed and rerecorded. Received call from Us Bank this morning stating they will be in tomorrow to replace the atm with an upgraded model.**

**Sewer- Sewer samples were taking. Alex has been sampling the lagoon two times a week. Got pump for moonbeams lift station ordered. We are currently running one pump on the main lift station.**

**Water- Water samples were taking; Water meter were estimated in January. We have been installing electric water meters.**

**Parks- Met with Modot about culverts. Plowed and salted streets tow times in January. 910 Platte Ave should have their streetlight up in about a month.**

**Public Works- New bathroom faucets in City Hall. New drive thru speaker installed in City Hall. Eight dig rites completed.**

**Police- No report provided.**

**Emergency management- Siren went off.**

**Joel Dudley- Would like to know more information about the Williams annexation and who's attorney did not write up the paperwork correctly. Amy explained that it was an error on our previous attorney and feels that if there is a cost to resubmit we should pay the fees. The board agreed that we should correct and pay for our mistake.**

**Any update on the letters for the buildings? Amy advised she has not received any letters to send out. Travis stated he has seen the abatement officer working on them. Mayor Harmer stated he will reach out to find out why the letters are not out yet.**
