5. **Citizen input:**

Jeremy- There is a camper parked at a local business that has someone living in it and I know ordinance have been established to prevent this. Amy advised that the new chief is advised of this and will take care of the matter. Jeremy asked the board what is the percent that the yard must be mowed. Travis stated he is not sure of the number and will look into.

6. **Old business:**

None

7. **New Business**

Benjamin McCabe from Modot- Mr. McCabe introduced himself to the board he is an engineer with Modot he explained that they are getting plans ready to replace the bridge on B in 2025. He advised the board that we have a driveway going into the skate park that they would like to temporary close that one and add an access on the east side. The board stated they would not be a problem. Travis was concerned about the lift station in that area and Mr. McCabe stated he will have construction access to that lift station. He will also have a contract drawn up to give temporary easement access and that the bridge will be closed for 5/6 months until the project is completed.

Campers at the trailer park- Travis advised the board that the new trailer park manager has approached him in regards of putting a camper in the trailer park. Travis provided the board with the ordinance that stated that if the wheels are removed, anchored, and skirted it turns it into a permanent structure and can remain in the trailer park. The board agreed that if the ordinance stated so then they will have to allow it. Aldermen Dudley wanted to review and edit the ordinance. Mayor Harmer stated we will have a working meeting September 13th at 5:00 pm to review the ordinance.

Tree at water tower- Travis advised the board that there is 2 trees at the water tower that needs cut down and has a bid from Caton Services for \$1600.00. Jeremy Guyer stated he would like a chance to bid the tree. Mayor Harmer tabled the matter until the working meeting to give Mr. Guyer a chance to get a bid in.
