Parks- Mayor Harmer stated with all the problems we have discovered with the electrical at the park he has reached out to Platte County parks department, and they stated we did not have to use the funds this year for the electrical we can hold on to that part of the grant and request more next year without losing what we were already approved for.
Travis spoke with the board regarding the ARPA funds and knows the board stated to use the rest for the water fountain but with the RV park growing and a few more houses that will connect eventually he does not have enough meters and would like to ask the board if we can use the remaining ARPA funds to insure, we will have enough meters going forward.
The board agreed we must redirect funds to keep the infrastructure going.
