**Speed bump- Attorney Dan Fowler stated he reached out to public safety and the fire department has no opinion on having speed bumps, but the ambulance district stated that a speed bump could hurt a patient depending on their injuries. If the city is going to have speed bumps it needs to be the city doing it and not a private citizen. MoDot stated it should be a speed bump built into the street and that we would also need an engineer report. At this time the board stated they would not be able to place speed bumps in the city and that private citizens would not be allowed to do so either.**
