3. Reports

City Admin- Sent out 20 past due letters. 1 on the payment plan. Shut 1 residence off.

Training with Core & Main on the new reading software for water bills. Tax rate paperwork sent back to Platte County. Met with Sgt Kampherner to fill out all paperwork needed for Platte County to gift us a 2014 Ford Taurus. Applied for the transportation sales distribution. We will receive \$30,534.60 to go toward the roads.

Sewer- Sewer samples were taken. Alex has been sampling the lagoon two times a week. We are still discharging the lagoon through irrigation. We flushed 2,000 gallons of water down north Clark sewer to Frank.

Drinking water samples were taken. Water meters were read. Boring company hit two water mains and one service line. New water connection at 908 A Platte Ave. Meke tapped the new line. The water main they hit Friday the 19th was not their fault. We had no idea it was there. Map showed it on north side of the road. We helped Dearborn with a water leak.

Parks-Mowing has slowed down. Made sure everything was ready for Pioneer days.

Streets- Filled in potholes. Spoke with Phil on the roads he will be shooting on November.

Public Works- 102 dig rites on for the month. Mower maintenance every Friday. New starter on the grasshopper. New tires on the black truck.

Work orders- 0 new work orders

Police- No report turned in.

Emergency management- Siren did go off.

Joel Dudley- Nothing to report.

Candy Guyer- Nothing to report.

Alec Williams- Stated was down at the shop and a gentleman pulled in and stated Travis was to clean out his culvert. Mayor Harmer stated he had already spoken to Travis about the situation.

Charlene Cook- Absent

4. Citizen input:

Chris- Expressed concerns regarding his water. Travis advised that he was flushing lines and found a blow out at the duplexed that he flushed out that could have put settlement back into the system. Travis stated he has a tool that he will hook up to his meter that will take the water flow out of our side and flush out his lines. Also, spectrum put 2 pods on the property to close and I can't mow over it. Amy advised him to contact spectrum regarding the pods and ask them to move them. Travis stated he had a contact number he will give Chris.

5. Old Business

None

6. New business

Larry Sinklear 98 Aller-

Mr. Sinklear asked the board if he could have a dead end or no outlet sign placed by his property due to vehicles using his yard to turn around in. Travis stated he can get a dead-end sign put up for him.

Garden tractor pull-

Travis advised the board that there is a 8" gas main with 150 psi under the ground where Pioneer days till up for the garden tractor pull. Spires was not happy that a dig rite was not done due to the fact they tilled 4" down. Pioneer days will need to call in a dig rite in the future so spires can be on site when the tilling is done.

Plow-

Travis advised the board that he needs a new plow. Part of the reason the truck axles were bent was because the plow is not centered on the truck and the plow is now beyond repair. Travis provided the board with cost of 2 companies that will purchase and install the plow.

Motion to have Jackson lawn equipment purchase and install new plow for \$8,165.00.
