Parks-We emptied trashcans.

Streets- Filled potholes.

Public Works- 8 dig rites on for the month. Took the mowers to St. Joe for maintenance and found out that the cost to have the pump replaced on the mower will be over my spending limit but they already had it torn apart and was going to charge labor to put the mower back together, so I just had them put the pump on. We put a new fuel pump on the tool truck and got it running. I have decided to keep the truck now that it is up and running. Been cleaning the shop. I have been talking to MoDot about the big trucks cutting through town.
